STYLE • SAFETY • LONGEVITY

The Ascent is not only our newest model, it's the Flagship of our robust line of rollators. This lightweight, euro-style, 4-wheel rollator has both an adjustable height padded seat and backrest. The all new Ascent boasts a number of high-end features to ensure safety and longevity including dual sided, vented aluminum front forks, stylish 10" front and 8" rear casters with black non-marring tires and a unique top-to-bottom protected braking system.
